Dear Editor,

I am writing to propose a submission for editorial consideration based on our recent collaborative research findings titled "**[Title of Research]**". This work was conducted by [Your Name], [Collaborator's Name], and [Additional Collaborators], and it explores [brief description of the research focus and its significance].

In our study, we have discovered [summarize key findings and their implications]. We believe these findings will contribute significantly to [state the field or topic area] and offer new insights into [mention specific issues or problems addressed].

We are keen on collaborating with your esteemed journal and believe that our research aligns well with your publication's aims and scope. We are prepared to provide our full manuscript, and any additional materials required for your review process.

Thank you for considering our proposal. We look forward to the opportunity of working together and await your feedback.

Warm regards,
