Dear [Recipient's Name],

I hope this letter finds you well. I am writing to sincerely apologize for my actions that disrespected your privacy. I understand that my behavior was inappropriate and did not consider your feelings.

It was never my intention to invade your personal space, and I deeply regret the discomfort I caused you. I have reflected on my actions and the negative impact they may have had on our relationship.

Please know that I am committed to making amends and ensuring this does not happen again. Your trust is important to me, and I value our relationship greatly.

Thank you for your understanding and patience as I work towards being a more respectful and considerate individual.

Sincerely,
