Dear [Employer's Name],

I am writing to express my interest in the data analysis internship position at [Company's Name] as advertised on [where you found the internship]. I am currently a [Your Year] student majoring in [Your Major] at [Your University], and I am eager to apply my skills in data analysis and statistical methods in a practical setting.

During my studies, I have developed a solid understanding of data analysis techniques and had hands-on experience using tools such as [List relevant tools or software]. My recent project on [Briefly describe a relevant project] allowed me to enhance my analytical skills and gain valuable insights into [what you learned].

I am particularly impressed by [Company's Name]'s work in [specific area or project related to data analysis], and I am excited about the opportunity to contribute to your team while further developing my skills under your esteemed guidance.

Thank you for considering my application. I look forward to the possibility of discussing this exciting opportunity with you. I have attached my resume for your review. Please feel free to contact me at your convenience.

Warm regards,

[Your Name]
