Dear Admissions Committee,

I hope this message finds you well. I am writing to formally request a deferment of my admission to [College/University Name] for the [specific term, e.g., Fall 2024] semester due to unforeseen financial constraints.

After careful consideration, I have realized that my current financial situation will not allow me to adequately prepare for and support my studies at your esteemed institution. I am committed to attending [College/University Name] and wish to ensure that I can fully focus on my academic responsibilities when I arrive on campus.

I respectfully request that you consider my situation and allow me the opportunity to defer my admission for one year. During this time, I hope to secure the necessary financial resources and prepare myself better for my academic journey.

Thank you for your understanding and consideration. I look forward to your positive response.

Sincerely,
