

Job Offer Negotiation for Health Insurance Improvements

Dear [Hiring Manager's Name],

I hope this message finds you well. I am truly excited about the opportunity to join [Company Name] as a [Job Title]. After careful consideration of the job offer, I would like to discuss some aspects of the health insurance benefits that were outlined.

While I appreciate the current health insurance plan offered, I believe enhancements in coverage or additional options would be beneficial for both my personal well-being and my overall productivity at work. For instance, a plan that includes comprehensive mental health care and preventive services would be particularly valuable.

Furthermore, having access to a flexible spending account could also provide significant help in managing out-of-pocket medical expenses.

I am confident that with these improvements, I can contribute even more effectively to the team and help drive [Company Name] towards its goals. I would appreciate the opportunity to discuss this matter further at your convenience.

Thank you for considering my request. I look forward to your response.

Best regards,
