

Dear [Hiring Manager's Name],

I hope this message finds you well. I am excited about the opportunity to join [Company Name] as [Job Title] and appreciate the offer you extended to me. After careful consideration, I would like to discuss the potential for relocation assistance.

While I am enthusiastic about moving to [City/Location], the costs associated with relocating are substantial. I believe that with your support in the form of relocation assistance, I can make a smoother transition and focus on contributing positively to the team from day one.

Could we explore the possibility of including relocation assistance in my offer? I am sure this would enhance my ability to seamlessly integrate into the role and the community.

Thank you for considering my request. I look forward to discussing this further.

Best regards,
