

Dear [Friend's Name],

I hope this letter finds you in great spirits! Even though miles separate us, know that you're always in my heart and thoughts. I miss our laughter and long talks over coffee.

Life here has been bustling, but I often pause to reminisce about our cherished moments together. I can't wait until we can create more memories, even if it's through a video call for now.

Sending you all my love across the miles. Let's catch up soon!

Warmest regards,

[Your Name]
