

Get Well Soon!

Dear [Friend's Name],

I just wanted to take a moment to check in on you and let you know how much I care. I heard that you've been feeling under the weather, and I'm really sorry to hear that.

Please remember to take it easy and allow yourself time to rest and heal. You're one of the strongest people I know, and I have no doubt you will bounce back soon!

If there's anything you need or if you'd like some company, feel free to reach out. I'm just a call or text away.

Wishing you a speedy recovery!

Take care,

[Your Name]
