

# Final Project Review Session

Dear [Friend's Name],

I hope this message finds you well. As we approach the deadline for our final project, I would like to schedule a review session to discuss our work and gather feedback.

Would you be available to meet on [Date] at [Time]? I believe it would be beneficial for both of us to go over our project details together and make any necessary adjustments.

Please let me know if the proposed time works for you or if there's another time that would be more convenient.

Looking forward to your reply!

Best regards,
