

You're Invited for a Coffee!

Dear [Friend's Name],

I hope this message finds you well! I've been thinking that it's been a while since we caught up, and what better way to reconnect than over a warm cup of coffee?

Would you be available to join me on [Date] at [Time]? I'd love to meet at [Coffee Shop Name], where we can relax and chat about everything and anything.

Looking forward to hearing from you!

Warm regards,
[Your Name]
