

Dear Little One,

I can hardly contain my excitement as I write this letter to you! Even before you've arrived, you have filled our hearts with so much joy and anticipation.

We dream of the countless adventures we will share, the laughter that will echo through our home, and the love that will bind us together as a family. Every little kick reminds us of the beautiful journey ahead, and we are counting down the days until we meet you.

Your arrival will not only bring happiness but also new lessons and experiences that will shape us all. We promise to support you, love you, and guide you as you grow and explore the world.

Remember, you are already so deeply loved, and we can't wait to hold you in our arms and shower you with affection.

With all our love and excitement,

Your Future Mom and Dad
