

Dear [Friend's Name],

Congratulations on finally escaping the daily grind! We always knew your true calling was to pursue napping like a professional.

As you embark on this exciting new chapter of your life, remember that the only meetings you'll have now are with your pillow and comfortable chair.

Join us for a farewell gathering on [Date] at [Time]. We promise the only agenda item is fun, laughter, and reminiscing about the days when you actually had to wear pants to work!

Looking forward to raising a glass in your honor -- because after all, someone has to toast to all those years of dedicated 'working hardly'!

Cheers to relaxation and adventure ahead!

Warm wishes,

[Your Name]
