

Dear [Friend's Name],

I hope this letter finds you well! I just had to share my excitement about a new hobby I've picked up recently--[Hobby Name]! I can't believe how much fun it is and how quickly I'm getting into it.

I've already started [describe an activity related to the hobby, e.g., "taking classes" or "watching tutorials"], and it's such a great way to unwind after a long day. I think you'd really enjoy it too, especially since you've always been interested in [related interest of the friend].

I'm looking forward to [mention any plans, e.g., "attending a local class" or "going to a group meeting"], and I would love for you to join me! Let's catch up soon; maybe we can even start this hobby together!

Can't wait to hear what you think!

Best,

[Your Name]
