

Hey [Friend's Name]!

I hope this message finds you well! I was thinking it would be great to catch up and have some fun together this summer. How about a getaway?

I'm planning a trip to [Location] from [Start Date] to [End Date]. It would be wonderful if you could join me! We can relax, explore, and create some amazing memories.

Let me know what you think, and if you're available. I can handle the accommodation and planning details once I know you can make it!

Looking forward to hearing from you!

Warm wishes,
[Your Name]
