

Subject: Let's Team Up for the Charity Walk!

Dear [Friend's Name],

I hope this message finds you well! I'm reaching out to share an exciting opportunity to participate in the upcoming charity walk for [Charity Name] on [Date]. I thought it would be a great idea if we teamed up for this event!

The walk will take place at [Location] and aims to raise funds for [specific cause or purpose]. I believe it's an excellent chance for us to get some exercise, enjoy each other's company, and contribute to a meaningful cause.

If you're interested, we can start planning our training and fundraising strategies together. We could even create a fun team name and matching shirts!

Let me know what you think! I hope you can join me on this adventure!

Best,

[Your Name]
