

In Loving Memory of My Precious Child

Dear [Child's Name],

As I sit down to write this letter, my heart is filled with memories of the moments we shared together. Every laugh, every cuddle, every whispered secret is etched in my soul.

Though you are no longer here with us, your spirit continues to shine brightly in our hearts. I remember the way your eyes sparkled with joy and the warmth of your smile that could light up even the darkest days.

Not a day goes by that I don't think of you. I hold onto the hope that you are at peace and watching over us with love. I cherish all those little moments, and I will forever keep your memory alive.

With all my love,

[Your Name]
