

Dear [Friend's Name],

I hope this letter finds you well! I'm so excited to share something special with you that I've been working on -- the themes for my upcoming wedding!

Theme 1: Rustic Chic

We're envisioning a cozy vibe with wooden elements, soft lighting, and floral arrangements that bring the beauty of nature indoors.

Theme 2: Elegant Garden

This theme will embrace the romance of a garden setting, with pastel colors, twinkling fairy lights, and delicate blooms to create a magical atmosphere.

Theme 3: Modern Minimalist

For something sleek and contemporary, we're thinking of clean lines, metallic accents, and a monochromatic color palette to keep it sophisticated.

I would love to hear your thoughts and suggestions, as your support means the world to me. Let's catch up soon so I can share more details!

With love,

[Your Name]
