

Dear [Friend's Name],

I can't believe how much we've experienced together over the past year! From our spontaneous road trips to those serene weekends spent hiking, each moment has been a treasure.

I often think back to that camping trip at [Location]. Remember the night we sat by the fire, sharing our dreams and fears? It felt like time stood still, and I realized how grateful I am to have you by my side.

Exploring [Activity/Place] with you has opened my eyes to new perspectives. Your curiosity and enthusiasm are infectious, and they push me to step out of my comfort zone. I cherish the laughter we share and the memories we create together.

Here's to many more adventures, to exploring new horizons, and to building lasting memories. Thank you for being such an incredible friend.

With love,

[Your Name]
