Subject: Proposal for Collaborative Research Initiative

Dear [Recipient's Name],

I hope this message finds you well. I am writing to propose a collaborative research initiative between [Your Institution] and [Recipient's Institution] that aims to address [briefly describe the research topic or problem].

The objective of this collaboration is to [describe the goals and expected outcome of the research]. We believe that by combining our expertise in [your area of expertise] and [recipient's area of expertise], we can achieve significant advancements in this field.

Additionally, we are keen to explore potential funding opportunities together and share resources that will enhance our research capabilities. I would be delighted to discuss this proposal further and explore how we can move forward.

Please let me know your available times for a meeting, either in person or virtually, to further discuss the details of this initiative.

Thank you for considering this collaboration. I look forward to your positive response.

Sincerely,

[Your Name]
