Subject: Letter of Intent for Collaborative Research Funding Proposal

Dear [Insert Recipient's Name],

I am writing to express our intent to submit a collaborative research funding proposal entitled "[Insert Proposal Title]" to [Insert Funding Agency/Organization]. This proposal aims to address [briefly describe the research problem and its significance].

Our team, composed of [briefly introduce team members and their respective institutions], seeks to leverage our combined expertise in [mention relevant fields or areas of expertise] to achieve [describe the intended outcomes or objectives of the research].

We believe that this collaboration will not only enhance the quality of the research but also maximize the impact of the findings in [mention the relevant field or application]. We are particularly interested in exploring [mention any specific aspects of the research or methodologies].

We anticipate that our proposal will require funding of approximately [insert estimated budget], and we plan to submit the complete proposal by [insert submission deadline]. We would be grateful if you could provide any guidance on the submission process or notify us of any specific requirements at your earliest convenience.

Thank you for considering our intent to submit this proposal. We look forward to the opportunity to collaborate and further discuss our research ideas.

Sincerely,

[Your Name]
