

# Inquiry Regarding Curriculum Changes

Dear [Recipient's Name],

I hope this message finds you well. I am writing to inquire about any recent or upcoming changes to the undergraduate curriculum within the [specific department or program].

As a current student in [Your Major/Program], I am eager to understand how these changes might impact my academic trajectory and the overall learning experience. Specifically, I would like to know:

- What changes are being considered or implemented?
- How will these changes affect current students?
- Is there an opportunity for student feedback regarding these changes?

Thank you for your attention to this matter. I look forward to your response.

Sincerely,
