Dear [Foundation's Contact Name],

I hope this message finds you well. I am writing to express my intention to make a legacy gift to [Foundation's Name] as part of my estate planning. My experience with your foundation and the impactful work you do in the healthcare community has inspired me to support your mission.

It is my desire to leave a lasting contribution that will help [specific programs or projects] and continue to benefit future generations. To that end, I intend to include [specific amount or percentage of my estate] in my will or estate plan that will be directed to [Foundation's Name].

Thank you for your dedication to enhancing healthcare services and for the difference you make in our lives. I am honored to partner with you in this way.

Sincerely,
