

# Dear Grandma/Grandpa,

I hope this letter finds you in peace. I've been thinking a lot about you lately and all the wonderful moments we shared.

Remember our trips to the park? I loved how you would push me on the swings and tell me stories about when you were a kid. Your laughter always made me feel so happy. I cherish those days.

And I often think about the time we baked cookies together. I can still smell the chocolate chips melting in the oven. You taught me how to measure the ingredients, and I felt so proud when we pulled them out - they were delicious!

Even though you are no longer here with me, I carry your love in my heart. I often look at the quilt you made for me, and it reminds me of your warm hugs. I miss you so much.

Thank you for all the beautiful memories, Grandma/Grandpa. I will always love you.

With all my love,

[Your Name]
