Dear [Recipient Name],

I am writing to propose a partnership between [Your Organization] and [Recipient Organization] aimed at addressing the critical issue of domestic violence in our community. As you may be aware, domestic violence affects countless individuals and families, and collaboration between organizations can significantly enhance our collective impact.

Our organization has been active in providing support services for victims of domestic violence through [briefly describe your services, e.g., counseling, shelter, legal aid, etc.]. We believe that by combining our resources, knowledge, and networks, we can create more comprehensive support initiatives that can reach and assist a larger number of individuals.

We propose the following collaborative initiatives:

1. Joint awareness campaigns to educate the community on domestic violence issues.
2. Workshops and training sessions for staff and volunteers on best practices in support services.
3. Shared resources for outreach and victim support.

I would love the opportunity to discuss this proposal in further detail and explore how we can work together to make a meaningful impact. Please let me know a convenient time for us to meet or schedule a call.

Thank you for considering this partnership opportunity. Together, we can make a difference in the lives of those affected by domestic violence.

Warm regards,
