Dear [Recipient Name],

We are pleased to propose a Cybersecurity Technology Sharing Agreement between [Your Organization] and [Recipient Organization]. This collaboration aims to enhance our cybersecurity capabilities through the sharing of technology, knowledge, and resources.

1. Purpose

The primary purpose of this agreement is to facilitate the exchange of cybersecurity technologies that will benefit both parties.

2. Scope

This agreement encompasses the sharing of specific cybersecurity tools, software, and best practices as outlined in Appendix A.

3. Confidentiality

Both parties agree to uphold the confidentiality of shared information as specified herein.

4. Duration

This agreement shall commence on [Start Date] and continue until [End Date], unless terminated earlier by either party.

We look forward to your response and are excited about the potential of this collaboration. Please feel free to reach out for any clarifications or discussions.

Sincerely,
