Dear [Recipient's Name],

We are excited to propose a strategic partnership between [Your Company Name] and [Recipient's Company Name] for the co-development of innovative pharmaceutical products that align with our shared vision for enhancing patient care and advancing healthcare solutions.

At [Your Company Name], we have developed a promising portfolio of [briefly describe your products or technologies], which we believe could benefit greatly from the expertise and capabilities at [Recipient's Company Name]. Together, we can leverage our strengths to accelerate the development process, reduce costs, and bring effective therapies to market more rapidly.

We propose to initiate discussions on the following key points:

- Identification of complementary assets and technologies
- Shared research and development responsibilities
- Joint funding opportunities and financial arrangements
- Development milestones and timelines
- Intellectual property rights and ownership structure

We believe that our collaboration can lead to groundbreaking advancements in [specific therapeutic areas], and we are eager to explore how we can align our efforts effectively.

Please let us know a convenient time for you to discuss this proposal further. We are looking forward to the possibility of working together and achieving mutual success in our endeavors.

Thank you for considering this opportunity for partnership.

Sincerely,

[Your Name]
