Dear [Recipient's Name],

I am writing to formally request the initiation of a feasibility study for a potential public-private partnership (PPP) project involving [brief description of the project]. Given the current market trends and the pressing needs of our community, we believe that exploring this partnership could yield beneficial outcomes for all stakeholders involved.

We propose to explore [specific areas of the project, e.g., financing, infrastructure development, service delivery] and identify the benefits and challenges associated with such a partnership. We welcome your expertise in evaluating the feasibility and potential impact of this initiative.

We are looking to arrange a meeting to discuss this proposal in detail and would appreciate your response at your earliest convenience. Thank you for considering this opportunity for collaboration.

Sincerely,
