Dear [Lender's Name],

I am writing to formally request approval for refinancing my current debts through a debt consolidation loan. After evaluating my financial situation, I believe that consolidating my debts would provide me with a more manageable solution and improve my overall financial health.

Currently, I have outstanding debts totaling [total amount], which includes the following:

- [Debt 1 - Description, Amount]
- [Debt 2 - Description, Amount]
- [Debt 3 - Description, Amount]

By consolidating these debts, I aim to reduce my monthly payments and secure a lower interest rate. I believe this will allow me to pay off my debts more efficiently and ultimately free me from financial stress.

I would appreciate your consideration of my request for refinancing and look forward to discussing this matter further. Thank you for your attention to my situation.

Sincerely,

[Your Name]
