## To Whom It May Concern,

I am writing to formally request information regarding the potential impact of my participation in a forbearance plan on my credit report.

As a responsible borrower, I am concerned about how entering this forbearance plan might affect my credit score and overall credit report. Understanding this is crucial for my financial planning and decision-making.

Specifically, I would like to know:

- Will entering the forbearance plan be reported to the credit bureaus?
- If so, how will it be reflected on my credit report?
- Are there any steps I can take to mitigate any potential negative impact?

I appreciate your prompt response to my inquiries, as I take my credit responsibilities very seriously. Please contact me at your earliest convenience so that we can discuss this matter further.

Thank you for your attention to this important issue.

Sincerely,
