Considering the seismic activity in our region, I would like to understand the various policies you offer, including coverage limits, deductibles, and any additional riders that may be relevant.

Could you please provide detailed information on the following:

- Types of earthquake coverage available

- Deductibles and premium costs
- Exclusions or limitations in coverage
- Any recommended plans for homeowners

Please let me know if you require any further information from my side to assist with my inquiry. Thank you for your attention to this matter, and I look forward to your prompt response.
