Dear [Client's Name],

We are pleased to present you with the wealth transfer planning options available for your trusts and estates. Our aim is to ensure that your assets are managed and distributed according to your wishes while minimizing tax implications and legal complexities.

## 1. Overview of Trusts

Trusts are an essential part of estate planning. They allow for the management of your assets during your lifetime and their distribution after your passing. We recommend considering the following types of trusts:

- Revocable Living Trust
- Irrevocable Trust
- Special Needs Trust
- Charitable Trust

## 2. Estate Planning Strategies

We will work closely with you to create a comprehensive estate plan that includes:

- Will Preparation
- Power of Attorney
- Healthcare Proxy

## 3. Tax Considerations

Understanding the tax implications of your estate is crucial. We will review potential strategies to minimize estate and gift taxes, including:

- Annual Exclusion Gifts
- Lifetime Exemption Planning
- Charitable Contributions

## **Next Steps**

Please let us know a convenient time for you to discuss these options further. We look forward to assisting you in ensuring a smooth transfer of your wealth to your heirs.

Sincerely,
