

Dear [Friend's Name],

I hope this letter finds you in the comfort of your thoughts. I wanted to reach out and let you know that I am here for you during this challenging time. I cannot pretend to understand the depth of your sorrow, but I want you to know that you are not alone.

Our childhood memories together remind me of the strength and resilience we have built over the years. If there is anything you need or if you just want to talk, I am only a phone call away. It's okay to feel what you're feeling, and it's okay to take your time to heal.

Whenever you're ready, I would love to reminisce about our carefree days or share a quiet moment together. Please remember, I am here for you, always.

With all my love and support,

[Your Name]
