Dear [Recipient's Name],

I am writing to propose a partnership between [Your Organization] and [Recipient's Organization] aimed at enhancing financial counseling services within our community. In recent years, we have observed a growing need for accessible financial education and support services among our residents.

Our organization specializes in providing financial counseling, budgeting workshops, and debt management solutions. By joining forces, we can leverage our combined resources and expertise to create a more impactful program that would benefit many individuals and families.

This partnership could include joint workshops, shared resources, and co-promoted events, all designed to empower our community with the knowledge and tools they need to achieve financial stability.

I would love to schedule a meeting to discuss this proposal further and explore how we can work together to make a meaningful difference. Please let me know your availability in the coming weeks.

Thank you for considering this opportunity. I look forward to your response.

Sincerely,

[Your Name]
