Dear [Recipient Name],

We are writing to propose a financial restructuring plan aimed at [briefly state the purpose of restructuring, e.g., "improving our financial stability and enhancing operational efficiency"]. As you are aware, our current financial situation has led us to explore options that will allow us to better align our resources with our long-term strategic goals.

Our proposal includes the following key components:

- Restructuring of debt obligations to improve cash flow
- Re-assessment of ongoing expenses and reduction of non-essential costs
- Exploration of alternative revenue streams
- Establishment of a financial oversight committee to monitor progress

We believe that these measures will not only strengthen our financial position but also allow us to sustain our operations and invest in future growth. We are open to discussions and adjustments to our proposal to better accommodate your expectations.

We would appreciate the opportunity to discuss this proposal further at your earliest convenience. Please feel free to contact me at [Your Phone Number] or [Your Email Address] to arrange a meeting.

Thank you for considering our proposal. We look forward to your positive response.

Sincerely,
