Dear [Lender's Name],

I am writing to formally request the removal of Private Mortgage Insurance (PMI) from my mortgage account (Account Number: [Your Account Number]). As of [Date], my mortgage balance has reached a level where the PMI is no longer required based on current property values and my equity in the home.

According to my records, I have maintained timely payments and my current loan-to-value (LTV) ratio is below the required threshold for PMI termination. Attached are documents including my recent appraisal report and payment history that support my request.

I would appreciate your prompt attention to this matter. Please let me know if additional information is needed to expedite the removal process.

Thank you for considering my request. I look forward to your favorable response.

Sincerely,
