Dear [Lender's Name],

I am writing to formally request the consideration for the forgiveness of my Private Mortgage Insurance (PMI) associated with my mortgage loan account number [Insert Account Number].

Since acquiring my home on [Insert Purchase Date], I have consistently adhered to my mortgage payment schedule and have made significant improvements to my property, which I believe have positively affected its value. According to recent appraisals and market data, the equity in my home has reached [Insert Percentage or Amount], exceeding the necessary thresholds for PMI removal.

In light of this, I kindly ask you to review my request for PMI cancellation. I am including documents such as my recent home appraisal, proof of timely payments, and any other pertinent details that support my case.

Your assistance in this matter would be greatly appreciated. I believe that after careful review, you will agree that I qualify for PMI forgiveness.

Thank you for your attention to this request. I look forward to your prompt response.

Sincerely,

[Your Name]
