

Probate Explanation for Inheriting Mortgage Liability

Date: [Insert Date]

To Whom It May Concern,

I am writing to formally address the matter of inheriting the mortgage liability associated with the property located at [Insert Property Address]. As the executor of the estate of [Deceased's Name], I would like to clarify the responsibilities that accompany this inheritance.

Upon the passing of [Deceased's Name] on [Date of Death], the mortgage, which has an outstanding balance of [Insert Amount], was left to the heirs as part of the estate. It is important to note that as an heir, I understand that this mortgage liability does not absolve the estate from fulfilling its obligations to the lender.

As part of the probate process, we are working diligently to ensure that all debts are resolved and that the estate is administered according to legal requirements. I would like to discuss options for managing this mortgage and explore potential avenues for repayment or refinancing.

Thank you for your attention to this matter. Please feel free to contact me at [Your Phone Number] or [Your Email Address] should you require any further information or documentation regarding this matter.

Sincerely,
