Dear [Recipient's Name],

I hope this message finds you well. I am writing to propose a suggestion regarding our current mortgage arrangement, which I believe could be beneficial for both of us.

As we navigate our financial responsibilities, I would like to suggest that we consider dividing the mortgage responsibilities in a way that reflects our individual contributions and capabilities. This could mean splitting the payments based on income levels or agreeing on a proportionate share that aligns with our financial situations.

Implementing a divided mortgage responsibility may help alleviate some financial strain and promote a clearer understanding between us. Additionally, it can foster a more harmonious working relationship as we move forward.

I would love to discuss this suggestion further and explore potential solutions that work for both of us. Please let me know a convenient time for you to meet or if you prefer to discuss it over the phone.

Thank you for considering my proposal. I look forward to hearing your thoughts.

Sincerely,

[Your Name]
