

# Pre-operative Instructions for Elective Surgery

Dear [Patient's Name],

We are writing to provide you with important information regarding your upcoming elective surgery scheduled for [Date of Surgery]. Please review the following instructions carefully to ensure your safety and the best possible outcomes.

## Pre-operative Instructions:

- **Fasting:** Do not eat or drink anything after [Time] on the night before your surgery.
- **Medications:** Please inform your doctor about all medications you are currently taking. You may be advised to stop certain medications before surgery.
- **Prepare for Surgery:** Arrange for someone to drive you home after the procedure. It is important that you do not drive yourself.
- **Personal Items:** Leave all valuables, including jewelry and large amounts of money, at home.
- **Clothing:** Wear loose, comfortable clothing on the day of the surgery.

## Day of Surgery:

On the day of your surgery, please arrive at [Arrival Time] at [Location]. Check-in at the reception desk and bring this letter with you.

## Contact Information:

If you have any questions or concerns prior to your surgery, please feel free to contact our office at [Phone Number].

Thank you for your attention to these instructions. We look forward to seeing you on [Date of Surgery].

Sincerely,

[Your Name]
