

# Infection Control Outreach Program

Dear [Business Owner's Name],

We hope this message finds you well. As part of our ongoing commitment to public health and safety, we are reaching out to local businesses to enhance infection control measures within our community.

In light of recent health concerns, it is crucial to implement effective infection control practices to protect both your employees and customers. We would like to offer resources and support to help you establish a safer environment.

Please consider the following steps:

- Regular sanitation of high-touch surfaces.
- Encouraging hand hygiene among staff and patrons.
- Implementing social distancing protocols where feasible.

We are available to provide training sessions and materials tailored to your business's needs. Together, we can ensure a safer environment for everyone in our community.
