Subject: Infection Control Practices in Our Daycare Center

Dear [Recipient's Name],

As part of our ongoing commitment to ensuring the health and safety of the children in our care, we are implementing robust infection control practices in our daycare center. We believe that effective infection control measures are vital to prevent the spread of illness and promote a healthy environment for our children.

## Key Infection Control Practices:

- Regular handwashing for both staff and children.
- Sanitizing toys and surfaces frequently.
- Implementing a policy for illness reporting and exclusion.
- Maintaining a clean and hygienic environment.
- Encouraging proper respiratory hygiene (coughing/sneezing etiquette).

We appreciate your cooperation and support in adhering to these practices. Together, we can create a safe and healthy environment for our children to learn and grow.

If you have any questions or concerns regarding our infection control practices, please do not hesitate to reach out.

Thank you for your attention to this important matter.

Sincerely,

[Your Name]
