

Dear Community Members,

As we approach the flu season, we want to take this opportunity to engage and inform our community about the importance of flu prevention and vaccination. Our initiative aims to promote health and safety for everyone.

What We Are Doing

We will be hosting a series of informational sessions at community centers and local schools. These sessions will cover:

- The benefits of the flu vaccine
- Flu prevention tips
- Q&A with healthcare professionals

Get Involved

We encourage you to participate and help spread the word. Together, we can ensure that our community is well-informed and protected this flu season.

Upcoming Events

Join us on the following dates:

- **Date:** October 15, 2023 | **Location:** Community Center A
- **Date:** October 22, 2023 | **Location:** Local School Gym

Contact Us

If you have any questions or wish to volunteer, please contact us at engagement@community.org.

Thank you for your commitment to keeping our community healthy!

Sincerely,
The Flu Season Initiative Team
