Dear [Recipient's Name],

I hope this letter finds you well. I am writing to request the setup of an online medical consultation service to facilitate accessibility to healthcare for patients who may have difficulty attending in-person appointments.

The ongoing advancements in telehealth have demonstrated significant benefits in enhancing patient care and providing convenient access to medical professionals. As someone committed to improving healthcare services, I believe that establishing an online consultation platform will greatly benefit our patients.

Please let me know your thoughts on this proposal, and if possible, I would appreciate the opportunity to discuss it further at your earliest convenience. Thank you for considering this request.

Sincerely,
