Dear [Lender's Name],

I am writing to inquire about the possibility of obtaining pre-approval for a mortgage. My partner and I are in the process of looking for a new home and would like to understand our options.

We have a stable income and good credit history, and we believe we can make a responsible investment in a property. We would appreciate it if you could provide us with the necessary steps and information required for pre-approval.

Please let us know what documentation you require from us and any other details that would assist in this process.

Thank you for your time and assistance. We look forward to your prompt response.

Sincerely,

[Your Name]
