

Patient's Loan Application Delay Explanation

Date: [Insert Date]

To Whom It May Concern,

I am writing to formally explain the delays encountered in my application for a physician's loan. Despite my dedication to completing the necessary documentation promptly, unforeseen circumstances have arisen which have impacted the timeline.

Firstly, [insert reason for delay, e.g., "I experienced a significant delay in obtaining my medical residency verification due to processing times at my institution."]. This unexpected hold-up has made it challenging to provide the required information in the anticipated time frame.

Additionally, [insert another reason for delay, e.g., "I encountered difficulties in gathering all relevant financial documents as I was recently transitioning between jobs."]. I assure you that I am actively working to resolve these issues.

I appreciate your understanding and patience in this matter. I remain committed to finalizing my application as quickly as possible and will keep you updated on my progress.

Thank you for your attention and support.

Sincerely,
