Subject: Inquiry About Loan Options for Independent Contractors

Dear [Lender's Name],

I hope this message finds you well. I am reaching out to explore potential loan options tailored for independent contractors, particularly those of us who identify as digital nomads.

Background

As a digital nomad, I work remotely and travel frequently while managing my own business, which presents unique challenges in securing loans traditionally available to salaried individuals.

Loan Requirements

Below are a few key aspects I am interested in:

- Flexible repayment terms
- Minimal documentation requirements
- Options for funding based on projected income
- Consideration of multiple income streams

Conclusion

I would appreciate any information regarding loan options or any suggestions you may have to help independent contractors like myself. Thank you for your time, and I look forward to your prompt response.

Sincerely,

[Your Name]
