Dear [Admissions Officer's Name],

I hope this message finds you well. My name is [Your Name], and I am an international student who has recently been accepted to [University/College Name], beginning [insert semester/year]. I am writing to inquire about the available loan options for international students.

As I prepare for my studies, I would like to understand the types of financial aid and loan programs offered to international students, including any specific eligibility requirements, application procedures, and deadlines.

Additionally, I would appreciate any guidance on external loan resources that may be available for international students and any recommendations you might have.

Thank you for your assistance. I look forward to your prompt response.

Sincerely,
