Dear [Lender's Name],

I am writing to formally request financing for the purchase of a green vehicle. I am interested in acquiring [Make and Model of Car], which is an environmentally friendly option that aligns with my commitment to sustainability.

The purchase price of the vehicle is [Insert Price], and I am seeking a loan amount of [Insert Loan Amount]. I believe that this investment will not only contribute to reducing my carbon footprint but will also provide long-term savings on fuel and maintenance costs.

In addition, I have taken the liberty to gather my financial information and documents, which I can provide upon request. I am confident in my ability to meet the repayment terms and maintain a good standing throughout the loan period.

Thank you for considering my financing request. I look forward to your positive response and am happy to discuss this matter at your earliest convenience.

Sincerely,
