To Whom It May Concern,

I am writing to formally apply for agricultural tax relief for my hydroponic farming operation located at [Farm Address]. My farm specializes in the cultivation of [list crops grown], and I have been implementing sustainable practices to promote efficient resource use and environmental stewardship.

As a hydroponic farmer, I utilize a soilless growing technique that allows for year-round production with a significantly reduced water footprint. Given the innovative nature of hydroponics and its contribution to local food production, I believe that my operation qualifies for tax relief under the agricultural tax exemptions provided by [relevant regulatory body or program].

Attached to this letter are the necessary documents, including my farming operation details, proof of hydroponic farming methods, and [any other supporting documentation].

I appreciate your consideration of my application and look forward to your favorable response. Please feel free to contact me at [Your Phone Number] or [Your Email Address] for any further information or clarifications.

Sincerely,

[Your Name]
