Dear [Recipient Name],

Subject: Demand for Environmental Tax Exemption Regarding Biodiversity Protection

I am writing to formally request an exemption from environmental taxes concerning our ongoing efforts to protect and enhance biodiversity within our project area. The initiative is aimed at preserving rare species and restoring natural habitats, directly aligning with national and international biodiversity goals.

Our organization, [Your Organization Name], has dedicated substantial resources towards implementing sustainable practices and conservation strategies that contribute positively to the environment. By granting us a tax exemption, you would not only support our mission but also promote greater public engagement in biodiversity preservation efforts.

We firmly believe that the financial relief from environmental taxes will significantly bolster our capacity to further our conservation initiatives. We are committed to transparency and accountability regarding how these funds will be allocated to biodiversity protection.

Thank you for considering our request. I look forward to discussing this matter further. Please feel free to contact me at your earliest convenience.

Warm regards,
[Your Name]
